unemployment. Introduction of Macroeconomics - Assignment Point Introduction These lecture notes cover a one-semester course. The overriding goal of the course is to begin provide methodological tools for advanced research in macroeconomics. The emphasis is on theory, although data guides the theoretical explorations. We build entirely on models with microfoundations, i.e., models where behavior is derived from basic Lecture notes for Macroeconomics I, 2004 In order to understand the effects of aggregate decisions of consumption, savings, and investment, we must look at aggregate demand (AD). AD is the total demand for final goods and services in the economy at a given time and price level. Key Topics in
