Let Their People Come Breaking In Let Their People Come, Lant Pritchett discusses five "irresistible forces" of global labor migration, and the "immovable ideas" that form a political backlash against it. Increasing wage gaps, different demographic futures, "everything but labor" globalization, and the continued employment growth in low skilled, labor intensive industries all contribute to the forces compelling labor to migrate across national borders. Let Their People Come: Breaking the Gridlock on Global ... Let their people come : breaking the gridlock on international labor mobility / Lant Pritchett. p. cm. Includes
